

I use IDEA.

Jacco de Leeuw

Internal Auditor
CZ
The Netherlands

“With over 3 million clients CZ has chosen IDEA Server as the tool to analyze millions of health care expenses for the purpose of identifying substantial error in the subledger. For the third largest health insurance company in the Netherlands, data analytics plays a vital role in the day-to-day business of the Internal Audit Department of CZ. CZ has been using IDEA for 10 years and has a lot of experience with data analytics.”

IDEA can read, display, analyze, manipulate, sample or extract from data files from almost any source. Lower your audit cost, add more quality to your work and meet professional standards.
