We use  
**IDEA.**

“IDEA has reshaped the way in which the Internal Audit Department of Union First Market Bankshares reviews and evaluates data. Using IDEA, we are able to analyze entire populations of data, compare multiple databases and identify potential anomalies with speed and accuracy. The efficiencies that we have gained and the results that we have achieved since incorporating IDEA into our audit processes are remarkable. We have shared our IDEA successes with other departments; which has led to increased efficiencies throughout our company. IDEA has been and will continue to be a valuable resource for Union First Market Bankshares.”

Union First Market Bankshares Corporation (NASDAQ – UBSH) is the largest community banking organization based in Virginia, providing full-service banking at 95 locations through its three bank subsidiaries. Union Investment Services, Inc. provides full brokerage services; Union Mortgage Group, Inc. provides a full line of mortgage products; and Union Insurance Group, LLC offers various lines of insurance products.

IDEA can read, display, analyze, manipulate, sample or extract from data files from almost any source. Lower your audit cost, add more quality to your work and meet professional standards.
